White Plains, NY: +1 (914) 448 5873

Dennis Campbell specializes in antitrust economics. Dr. Campbell has conducted research on two-sided digital platform markets, targeted advertising, and subcontracting in the airline industry. He returns to NERA after serving as an Analyst and Researcher from 2015 to 2018, during which time he worked on projects in the medical devices, renewable energy, and the dental supplies industries.

Dr. Campbell's technical skills include Stata, Python, MATLAB, and LaTeX.

## Education

PhD in economics, University of Virginia

MA in economics, University of Virginia

BA in mathematics, financial economics and political science, University of Rochester

## Practice Areas

Antitrust and Competition

## About NERA

NERA Economic Consulting ([www.nera.com](http://www.nera.com)) is a global firm of experts dedicated to applying economic, finance, and quantitative principles to complex business and legal challenges. For over half a century, NERA's economists have been creating strategies, studies, reports, expert testimony, and policy recommendations for government authorities and the world's leading law firms and corporations. With its main office in New York City, NERA serves clients from more than 25 offices across North America, Europe, and Asia Pacific.
