New York City: +1 212 345 6023

Dr. Ildiko Magyari is a Senior Consultant in NERA's Antitrust and Competition Practice. Her research includes the economics of firm and industry performance in the context of global markets; pricing and innovation, with particular focus on the econometric analysis and modeling of the competitive effects of mergers and acquisitions raised in the context of government and regulatory investigations; and complex litigations. Prior to joining NERA, Dr. Magyari was a Special Sworn Status Researcher at the US Census Bureau.

## About NERA

NERA Economic Consulting ([www.nera.com](http://www.nera.com)) is a global firm of experts dedicated to applying economic, finance, and quantitative principles to complex business and legal challenges. For over half a century, NERA's economists have been creating strategies, studies, reports, expert testimony, and policy recommendations for government authorities and the world's leading law firms and corporations. With its main office in New York City, NERA serves clients from more than 25 offices across North America, Europe, and Asia Pacific.
