matthew.hoelle@nera.com

Washington, DC: +1 202 466 9279

Dr. Matthew Hoelle specializes in competition economics, advising clients in the areas of intellectual property, financial markets, and econometric analysis. He has submitted expert reports and testified at deposition. Prior to joining NERA, Dr. Hoelle was a faculty member at Purdue University, where he taught courses in economic theory, financial markets, and strategy at both the undergraduate and graduate levels. His research has primarily focused on the theoretical implications of financial and monetary policies, including optimal policy design. Dr. Hoelle has published in peer-reviewed journals such as *Economic Theory*, *Journal of Mathematical Economics*, and *Mathematical Social Sciences*.

Education

PhD, Economics, University of Pennsylvania

BS, Chemical Engineering, Washington University

Practice Areas

Communications, Media, and Internet

About NERA

NERA Economic Consulting (www.nera.com) is a global firm of experts dedicated to applying economic, finance, and quantitative principles to complex business and legal challenges. For over half a century, NERA's economists have been creating strategies, studies, reports, expert testimony, and policy recommendations for government authorities and the world's leading law firms and corporations. With its main office in New York City, NERA serves clients from more than 25 offices across North America, Europe, and Asia Pacific.
