New York City: +1 (212) 3454650

Dr. Chang is a Consultant in NERA's Securities and Finance Practice. Previously, she was an Assistant Professor at Duke University where she taught financial accounting and conducted research in the economic consequences of shareholder takeover defenses as well as the strategic behavior of equity research analysts. Dr. Chang also has a wealth of industry experience which includes validation of statistical models in the banking industry, financial statement audits, and tax advisory with various public accounting firms.

## Education

PhD in accounting, Stanford Graduate School

MS in accounting, University of Waterloo

BS in mathematics, University of Waterloo

## Practice Areas

Securities and Finance

## About NERA

NERA Economic Consulting ([www.nera.com](http://www.nera.com)) is a global firm of experts dedicated to applying economic, finance, and quantitative principles to complex business and legal challenges. For over half a century, NERA's economists have been creating strategies, studies, reports, expert testimony, and policy recommendations for government authorities and the world's leading law firms and corporations. With its main office in New York City, NERA serves clients from more than 25 offices across North America, Europe, and Asia Pacific.
