Erin Johnson specializes in antitrust and labor economics. An experienced economist, Dr. Johnson has advised clients across a broad range of industries in matters involving employment discrimination and industrial economic loss. She has served as an expert in class action litigation, single plaintiff litigation, arbitration, and regulatory matters.

Prior to joining NERA, she was a lecturer at Wellesley College and Massachusetts Institute of Technology Sloan School of Management, where she taught courses in Microeconomics and Industrial Organization.

Dr. Johnson is affiliated with the American Economic Association, the American Society of Health Economists, and the National Association of Forensic Economists. Her academic research focuses on economic issues in health care.

Education

Ph.D., Economics, UC Berkeley, 2010 Fields of Concentration: Labor Economics, Public Finance

A.B., Economics, Princeton University

Practice Areas

About NERA

NERA Economic Consulting (www.nera.com) is a global firm of experts dedicated to applying economic, finance, and quantitative principles to complex business and legal challenges. For over half a century, NERA's economists have been creating strategies, studies, reports, expert testimony, and policy recommendations for government authorities and the world's leading law firms and corporations. With its main office in New York City, NERA serves clients from more than 25 offices across North America, Europe, and Asia Pacific.
