Fabian Peters is a Consultant in NERA's Transfer Pricing Practice, based in Frankfurt. Mr. Peters provides transfer price compliance and audit support to international corporations and medium-sized enterprises. He has prepared transfer price documentation and litigation reports and performed economic profit split, intangibles valuation, and benchmarking analyses for clients in a variety of sectors, including aerospace, electronics, pharmaceuticals, logistics, food, and cosmetics. Mr. Peters has also been involved in state aid and international arbitration cases before the European Commission and the ICC. He graduated from the Institut d'Etudes Politiques de Paris with a master's in economics and business and holds a BSc in management, philosophy, and economics from the Frankfurt School of Finance and Management.

About NERA

NERA Economic Consulting (www.nera.com) is a global firm of experts dedicated to applying economic, finance, and quantitative principles to complex business and legal challenges. For over half a century, NERA's economists have been creating strategies, studies, reports, expert testimony, and policy recommendations for government authorities and the world's leading law firms and corporations. With its main office in New York City, NERA serves clients from more than 25 offices across North America, Europe, and Asia Pacific.
