Mr. Lambert has more than 20 years of experience in finance, with a strong focus on derivatives, structured products, and hedge fund strategies. His areas of expertise cover trading, execution, structuring, and marketing, on a variety of underlyings, including equity, fixed income, credit, and foreign exchange. His roles have straddled both sides of the industry - in investment banking (capital markets division), and then in asset management, in various complementary roles.

Prior to joining NERA, Mr. Lambert served as head of marketing and business development for a wealth management firm in Geneva and a hedge fund in London. Previously, he spent four years with Lombard Odier Darier Hentsch & Cie, a private bank in Geneva, where he headed their trading and execution operations. Prior to that, he spent a decade at Credit Suisse, where he specialized in derivatives, structured products, and marketing, among other areas.

Mr. Lambert holds a BS in aeronautical engineering, with a minor in economics, from the Massachusetts Institute of Technology, and a Diplôme de Maturité en Sciences from Collège Calvin in Geneva, Switzerland.
