New York City: +1 212 345 1375

Ms. McIntosh has over 15 years of experience in financial and economic advisory and litigation consulting for matters in the area of securities and finance, product liability and mass torts, and labor and employment. Ms. McIntosh has consulted on securities class actions examining materiality, loss causation and liability. Her work on these cases has included estimating inflation, damages, and settlement ranges. She has also done analyses for class certification and market efficiency. She frequently works with large data sets, designing models to evaluate liability and performing various statistical analyses. Ms. McIntosh is also the lead author for NERA's annual securities class action trends report series.

Ms. McIntosh earned her BA in Mathematics and Economics from Grinnell College and her MS in Statistics from Texas A&M University.

Education

MS in Statistics, Texas A&M University, 2016

BA in Mathematics and Economics, Grinnell College, 2004
