New York City: +1 (212) 345-3000

Joe Milbury specializes in economic, financial, and statistical analysis to support complex litigation and other business challenges. He applies his expertise in economic impacts to litigation matters involving antitrust, class certifications, intellectual property, and trade secrets. Mr. Milbury's economic consulting experience has covered a wide range of industries including technology, pharmaceutical automation, automotive, software as a service, and agriculture.

Prior to joining NERA, Mr. Milbury served as an associate at a boutique consulting firm in the San Francisco Bay area and performed survey research for the US Environmental Protection Agency on matters involving drinking water systems.

Education
