Sungi Lee is a Senior Consultant in NERA's Global Securities and Finance Practice and his experience includes damages, valuation, mergers and acquisitions (M&A), bankruptcy, and class certification matters in state and federal litigation, mediation, and arbitration. Mr. Lee advises clients on fixed income securities, funds and portfolios, structured products, derivatives, and securitizations and applies economic, financial, and accounting analysis to assess claims and allegations. In addition, he models, projects, and values claims and liabilities in product liability and mass torts cases, including asbestos, silica, coal mine dust, recalls, and automobiles, and transaction due diligence. Mr. Lee also supports academic experts in the preparation of expert reports, deposition, and trial testimony.

Mr. Lee received an MBA from the Stern School of Business at New York University and a BS in finance and accounting also from the Stern School of Business at New York University. He is a CFA® charterholder and is applying for licensure as a CPA.
